

Yu Lu

University of Wisconsin-Madison · 1630 Linden Drive · Madison, WI, 53706

(608) 320-8337 · yu.lu@wisc.edu · yu-lu.info

Education

- 2021-2025 Ph.D. in Human Dimensions of Ecosystem Management, University of Wisconsin-Madison
GPA: 3.8/4 (expected May 2025)
Chair: [Adena Rissman](#) (Human Dimensions of the Environment)
Committee: Eleanor Powell (Political Science), Christopher Kucharik (Agronomy and Environmental Studies), Mark Rickenbach (Forestry, Natural Resources, and Agriculture), Chloe Wardropper (Environmental Policy and Sustainable Landscapes)
- 2016-2020 Ph.D. in Natural Resource Management, Peking University
GPA: 92.9/100 (GPA rank: 2/40)
Chair: [Wenjun Li](#) (Natural Resource Management)
Committee: Jintao Xu (Natural Resource Economics); Shiqiu Zhang (Environmental Economics), Jianhua Xu (Environmental Policy and Management), Qi Wang (Regional Environmental Economics)
- 2019 Visiting scholar, Department of Environmental Science, Policy, and Management, University of California, Berkeley
[Lynn Huntsinger](#) Lab
- 2012-2016 B.A. in Agricultural and Forestry Economics and Management, Beijing Forestry University
GPA: 92.1/100 (GPA rank: 2/28)
Elite Class (Distinction)

Fields of Interest

- Primary Environmental and Agricultural Public Policy, Human Dimensions of Conservation, Climate Change, Sustainability
- Secondary Social-Ecological Systems, Decision-making, Farm Financial Programs, Political Economy, Agricultural Conservation Practices, Climate Adaptation and Mitigation, Social Network Analysis, Food-Forest-Bioenergy-Water-Ecosystem Nexus

Grants

2024-2025 **National Science Foundation Doctoral Dissertation Research in Decision, Risk and Management Sciences.** *The Role of Farm Financial Programs in Climate and Market Risks and Land Management.* My role: Co-PI. PI: Adena Rissman. (\$18,403)
Responsibilities: proposal writing; interviews of farmers, financial professionals, and advisors in the Upper Midwest, USA; paper and report writing

2020-2025 **National Science Foundation.** *Sustaining Food, Energy, and Water Security in Agricultural Landscapes of the Upper Mississippi River Basin.* My role: Graduate researcher. PI: Christopher Kucharik. (\$2,539,683)
Responsibilities: surveys of row crop, forage, grass-based livestock, and confinement livestock farmers, financial professionals, and advisors in the Upper Midwest, USA; paper and report writing

2024 Center for Integrated Agricultural Systems Graduate Student Summer Grant. *Sustainable Farmers’ Land Management Practices and Agricultural Financial Programs in the Upper Midwest.* My role: PI. (\$3,000)
Responsibilities: Proposal writing; interviews of sustainable farmers in the Upper Midwest, USA; paper and report writing

- 2016-2020 National Science Foundation of China. *Social Ecological Impacts of Household Credit on Pastoral Areas and Policy Implications*. My role: Graduate researcher. PI: Wenjun Li. (¥882,600)
Responsibilities: surveys and interviews of pastoralists in Inner Mongolia, China; paper and report writing
- 2017-2018 National Development and Reform Commission of China, Paulson Institute, and Heren Charitable Foundation. *Reform Trends and a Policy Roadmap for Conserving Natural Resources*. My role: Graduate researcher. PI: Wenjun Li. (¥300,000)
Responsibilities: interviews of government agencies, researchers, non-profit organizations, private, and local communities in four National Parks; book and report writing
- 2015-2016 Beijing Education Committee. *Product structure design of Beijing Garden Center*. My role: PI. (¥5,000).
Responsibilities: Proposal writing; surveys and interviews of local communities; report writing
- 2015-2016 China's State Forestry Administration. *Returning Farmland to Forest*. My role: Undergraduate researcher. PI: Chengliang Wu.
Responsibilities: surveys and interviews of farmers in Sichuan Province, China; report writing
- 2015-2016 China's State Forestry Administration. *Disputed Mediation of Rural Forest Land Contracting Management*. My role: Undergraduate researcher. PI: Chengliang Wu.
Responsibilities: surveys and interviews of local communities and government agencies; report writing
- 2014-2015 Beijing Forestry University. *Influencing Factors of Rural Labor Resource Allocation After Collective Forest Right Reform*. My role: Co-PI. PI: Da Li. (¥1,500)
Responsibilities: Proposal writing; surveys and interviews of local communities; report writing

Honors and Awards

- 2024 Student Research Grants Competition (\$1,500), UW-Madison
- 2024 Thomas O'Brien Research Innovation Award (\$1,000), UW-Madison
- 2024 Graduate Student Travel Scholarship (\$500), Department of Forest and Wildlife Ecology, UW-Madison
- 2024 Student Scholarship Award (\$150), Growing Outreach Conference
- 2023 Vera and Donald Wallach Scholarship (\$2,000), UW-Madison
- 2023 Joon Lee Award (\$1,000), UW-Madison
- 2023 Student Scholarship Award, Phosphorus Conference
- 2022 Thomas O'Brien Research Innovation Award (\$1,000), UW-Madison
- 2022 Vera and Donald Wallach Scholarship (\$2,500), UW-Madison
- 2019 Funding for outstanding Ph.D. students studying abroad (\approx ¥90,000), Peking University
- 2018 The prize for Exceptional Studies (Top 9/about 200), Peking University
- 2018 International Conference Travel Award (\approx ¥11,000), Peking University
- 2017 Excellent Research Award (Top 23/about 200), Peking University
- 2017 Special Scholarship (2nd/about 37) (\approx ¥5,000), Peking University
- 2017 Xuetielong Scholarship (2/40) (\approx ¥2,500), Peking University
- 2016 Outstanding Student (1st in 2/about 1980), Beijing Municipal Education Commission
- 2016 Outstanding Graduate (Top 10%), College of Economics and Management, Beijing Forestry University

- 2015 Outstanding Student (Top 10%), Beijing Forestry University
- 2015 Excellent Student Scholarship (Top 15%) (\approx ¥2,500), Beijing Forestry University
- 2014 Third Prize of 25th College Mathematics Competition (Top 150 of undergraduates major in economics and management), Beijing
- 2014 National Encouragement Scholarship (Top 3%) (\approx ¥5,000), Beijing Forestry University
- 2014 Outstanding Student Leader (Top 10%), Beijing Forestry University
- 2014 Excellent Student Scholarship (Top 15%) (\approx ¥2,500), Beijing Forestry University
- 2014 Asia-Pacific Economic Cooperation (APEC) volunteer service, interviewed by the youth league committee of Beijing Forestry University for outstanding volunteer services
- 2013 Excellent Student Scholarship (Top 15%) (\approx ¥2,500), Beijing Forestry University
- 2012 Outstanding Volunteer Services Award of Beijing Forestry University's 60th anniversary celebration, Beijing Forestry University

Conference Presentations and Invited Workshops

- 2025 Midwest Political Science Association Conference. *Private Sponsorship Lower for Agricultural Conferences with Climate Change Topics*, USA. Chicago, Illinois (April 3-6)
Session chair: *Bridging Ties in Social Networks*
Presenter: *How Social Networks Impact Governance*
- 2024 Conservation Social Science Conference. *Farm Financial Programs and Farmer Identity in Conservation Practice Implementation in the Upper Midwest*, USA. Virtual (November 20-23).
- 2024 UCOWR/NIWR Annual Water Resources Conference. *Agricultural Financial Instruments' Roles in Land Practices and Soil and Water Conservation in the Upper Midwest*, USA. St. Louis, Missouri, USA (September 30-October 2).
- 2024 Growing Outreach Conference. *Agricultural Financial Instruments' Roles in Land Practices in the Upper Midwest*, USA. Madison, Wisconsin, USA (August 22-23).
- 2024 Soil and Water Conservation Society International Annual Conference. *Agricultural Financial Instruments' Roles in Land Practices and Soil and Water Conservation in the Upper Midwest*, USA. Myrtle Beach, South Carolina (July 22).
- 2024 86th Annual Meeting of the Rural Sociological Society. Madison, Wisconsin, USA (July 24-20).
Two presentations: *Comparing Farm Financial Support Between Croplands and Grasslands in the Upper Midwest, USA*; *Agricultural Financial Instruments' Roles in Land Practices in the Upper Midwest, USA*
- 2024 Midwest INFEWS Fest. Ames, Iowa, USA (June 3-4).
Three presentations: *INFEWS Project Key Methods and Findings, Project Highlights and Challenges, Project Shorter Overview*.
Panelist: *Transdisciplinary workforce development*
Poster, *Agriculture, Bioenergy, Water, and Ecosystem Conferences in the U.S. Midwest: Conference Sponsorship Positively Associated with Market but not Climate Topics*
- 2023 New Landowner Advisory Board Meeting. *Midwest Farmer and Advisor Survey Plans*. Madison, Wisconsin, USA (April 6).
- 2022 International Association for Society and Natural Resources Conference. *Who Pays for the Party? Conference Sponsor Networks in the Food-Energy-Water-Ecosystems Nexus*. Virtual (October 5).

- 2022 Society of American Foresters 2022 National Convention. *Who Pays for the Party? Conference Sponsor Networks in the Food-Energy-Water-Ecosystems Nexus*. Baltimore, Maryland, USA (September 22).
- 2022 China Society of Forestry, Animal Husbandry and Fisheries Economics Annual Conference. *Impacts of Microcredit Programs on Coupled Social-Ecological Systems in Semiarid Areas*. Virtual (August 13).
- 2022 AFHVS / ASFS Conference. *Who pays for the party? Conference sponsor networks in the Food-Energy-Water-Ecosystems Nexus*. Virtual (May 18).
- 2022 Sustainability and Development Conference. *Addressing Risks in Resource-Dependent Communities Exploring the Potential Synergies Between Weather Index Insurance and Credit*. Virtual (January 27).
- 2021 UCOWR/NIWR Annual Water Resources Conference. *Comparing Funding Networks within the Food-Energy-Water-Ecosystems Nexus*. Virtual (June 9).
- 2019 Sustainability and Development Conference. *Modeling Feedback Generated in Coupled Social-Ecological Systems: the Development of Microcredit Programs for Semi- arid Areas*. University of Michigan, Ann Arbor, Michigan, USA (January 24).
Presenter and Moderator
- 2018 Sustainability and Development Conference. *Microcredits Increase Risk of Pastoralists' Livelihood in Semiarid Areas*. University of Michigan, Ann Arbor, Michigan, USA (November 10).

Teaching Experience

Undergraduate Classes

- Spring 2025 Teaching Assistant, Introduction to Community and Environmental Sociology (C&E SOC 140)
- Fall 2024 Guest lecturer, Indigenous Peoples and the Environment (AMER IND 306), Mean: 4.6/5.0; Median: 5.0/5.0
- Fall 2024, Guest lecturer, Natural Resource Policy (FWE 515), Mean: 4.9/5.0; 4.4/5.0; Median: 2023 5.0/5.0; 4.5/5
- Fall 2023 Guest lecture, Learning to Action: Professional Development (FWE 390)

Graduate Classes

- Fall 2022 Co-instructor, Policy and Politics of Environmental Information (FEW 875), Mean: 4.8/5.0; Median: 5.0/5.0
- Spring 2017 Teaching Assistant, Property Rights and Natural Resources Research

Student Mentoring

- 2024-2025 Eliza Alexandra Eyman, Conservation Biology, B.A.
- 2022-2024 Lily Jacqueline Herling, Community and Environmental Sociology, B.A.
Herling, J., Lu Y., Olson, M. Rissman, A.R. *Conservation and Intensification: Land Advisors' Experiences with Croplands and Grasslands*. Undergraduate Research Symposium. April 2024.
- 2022-2024 Maddie Olson, Community and Environmental Sociology, B.A.
- 2022-2023 Via de Jesus, Environmental Conservation, M.S.
- 2022 Emma Henning, Community and Environmental Sociology, B.A.

Journal Refereeing Experience

Rangeland Ecology and Management; Journal of Rural Studies; Grassland Research; Environment, Development and Sustainability; Environmental Science and Policy; World Development

Selected Fieldwork Experience

Rural communities: Social-Ecological Systems

- 2024 Oneida Nation Farms, Green Bay, Wisconsin, USA (a grass-based livestock farm)
- 2022 Brey Cycle Farm, Sturgeon Bay, Wisconsin, USA (a dairy farm)
- 2019 Santa Maria, California (fire risk management on California rangelands)
- 2016, 2018 Inner Mongolia, China (surveys and interviews, the impact of microcredit programs on social-ecological systems)
- 2016 Sichuan, China (surveys and interviews, returning farmland to forest)
- 2016 Henan (semi-structured interviews, disputed mediation for rural forest land contracting management)

Government Agencies, Researchers, Non-Profit Organizations, Communities: Protected Areas

- 2017 Yunnan, China (Semi-structured interviews, reform policy roadmap for Pudacuo National Park)
- 2017 Zhejiang, China (Semi-structured interviews, reform policy roadmap for Qianjiangyuan National Park)
- 2017 Fujian, China (Semi-structured interviews, reform policy roadmap for Wuyishan National Park)
- 2015 Beijing, China (structured interviews, product structure design for the Beijing Garden Center)

Skills

- Programming STATA, Python, R, NVivo, Qualtrics online survey software, Tableau, UCINET, LaTeX, SPSS, EViews
- Econometrics Applied Econometrics Modelling, Causal Inference, and Machine Learning Methods
- Languages Mandarin Chinese (native), English (fluent)
